

OTAKU ANTICS

NEW O.E.L.
MANGA

Hi!! Becky here!

Y'know, I work at the **craziest** store!

Hinako sees her first American otaku when Kelli claims her as a "**sempai**"...

The boss, Pinder, turns into a huge rampaging **monster** in Tokyo...

And then there's our **bishonen** Tyler, who I swear doesn't even own a shirt!

Oh, and *after all that...*

We're going to a **convention!**
